About SIRASKY

Sirasky Import & Export - Sirasky was established in 2016 in Guangzhou, China, as a leading company in providing integrated commercial services. With our specialized team and expertise in international trade, we offer innovative and tailored solutions that meet our clients' needs with the highest standards of quality and efficiency. We are committed to building strong partnerships with the best suppliers worldwide, enabling us to provide a wide range of products and services suited to various sectors. Sirasky guarantees you a seamless and reliable business experience.

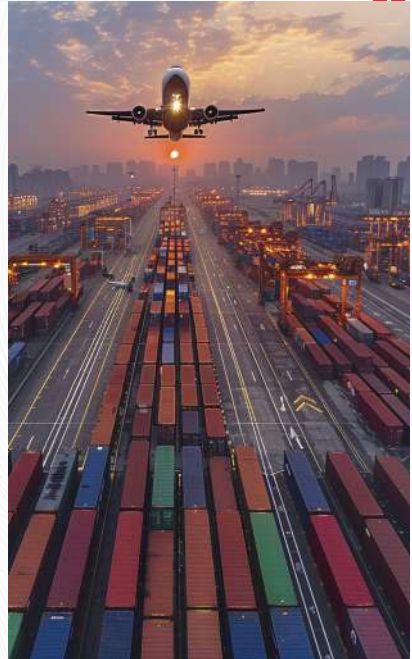

“ If you want to make your dreams come true,
the first thing you have to do is wake up
- J.M. Power - ”

Our Main Services:

- 1- Import and Export Services:** Comprehensive management of all import and export stages, from finding the right suppliers to delivering products to your warehouse doors.
- 2- Customs Clearance:** Providing fast and reliable solutions for completing all customs clearance procedures, ensuring smooth and swift shipment movement across borders.
- 3- Inspection and Quality Assurance:** We ensure thorough inspection of products to meet the highest global quality standards, giving you peace of mind and customer satisfaction.
- 4- Integrated Logistics Services:** We offer a comprehensive solution including storage, distribution, and shipping, helping you manage your operations effectively and efficiently.
- 5- Business Consulting:** Our expert team is available to provide strategic support and business consulting to help you make the right decisions and avoid risks.

Why Sirasky?

- **Partnership Based on Trust:** With our experience working with numerous companies around the world, we ensure reliable and sustainable service.
- **Customized Solutions for Your Needs:** We work closely with you to understand your requirements and provide solutions specifically tailored to you.
- **Extensive Expertise:** With over 9 years of experience in international trade, we offer deep knowledge and the ability to successfully navigate commercial challenges.
- **Integrated Services:** You won't need to search for multiple providers; we cover everything you need for your business, from start to finish.

To be the first and most preferred choice for companies looking to enter international markets and achieve success through integrated business solutions.

Our Vision:

We strive to be the partner you can rely on for growth and innovation in global trade operations, by providing exceptional services that meet and exceed your expectations.

Our Mission:

Start where you are. Use what you have. Do what you can

- Arthur Ashe -

What sets us apart:

In a fast-paced world full of challenges and developments, Sirasky stands out as a reliable partner that meets the aspirations of its clients across various sectors. We work diligently to provide innovative solutions and high-quality services that help you achieve your business goals.

Transparent and Advanced Electronic System:

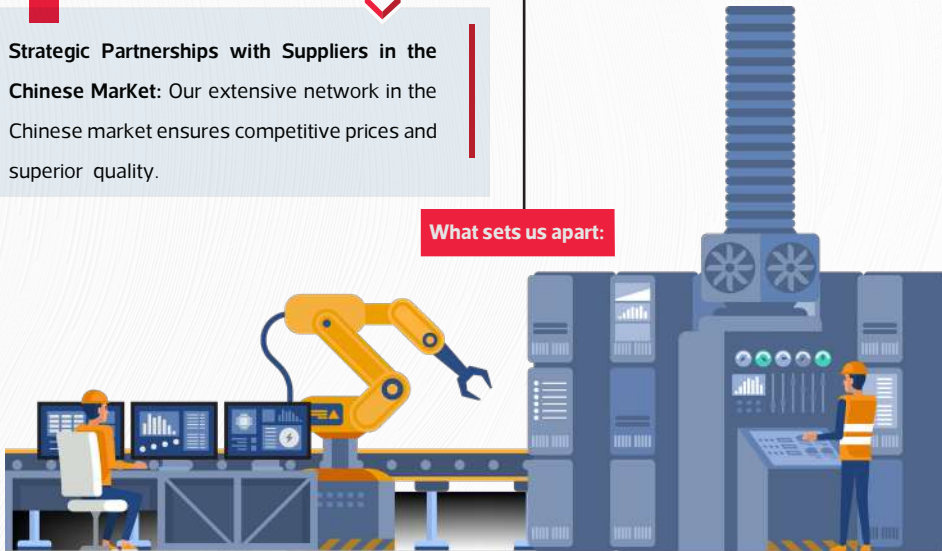

Track business processes in real-time, from order to delivery.

What sets us apart:

Strategic Partnerships with Suppliers in the Chinese Market: Our extensive network in the Chinese market ensures competitive prices and superior quality.

What sets us apart:

Extensive Experience in Global Markets: Our expertise extends to markets in Turkey, Japan, and South Korea, allowing us to offer products of international quality.

What sets us apart:

High-Quality Inspection Before Shipment:

Ensuring thorough inspection of every order before shipment to guarantee compliance with required standards.

What sets us apart:

Exceptional Expertise in Dropshipping: Customized solutions to reduce operating costs and increase efficiency.

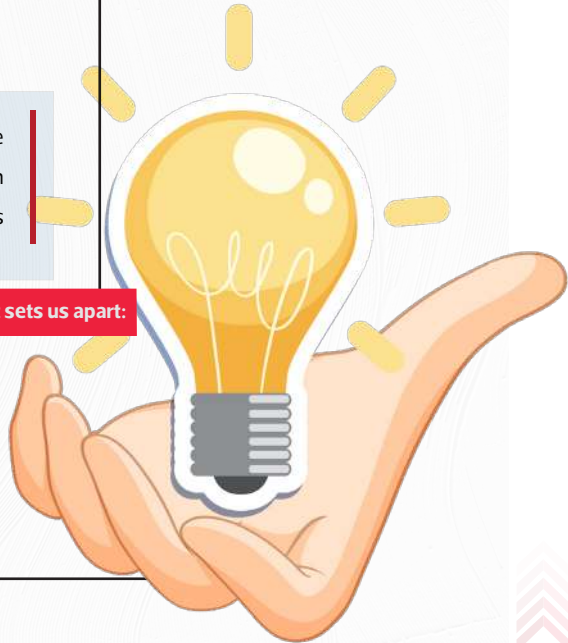

What sets us apart:

Customized Solutions for Clients: We innovate solutions that meet the unique needs of each client, enhancing their opportunities for success and expansion.

What sets us apart:

Brand Building and Registration: We offer a comprehensive service for creating, developing, and registering trademarks, starting from selecting a distinctive name, building a complete identity, and ensuring legal registration of the trademark.

What sets us apart:

Smart Storage Solutions to Meet Logistics Requirements: In our warehouse located in the heart of China, you can rely on us to assemble the required products and store them using an integrated electronic system, ensuring they are received and tracked until the container is complete and the goods are shipped.

What sets us apart:

The secret of change is to focus all of your energy
not on fighting the old but on building the new

- Socrates -
